

PROPER CHURCH ETIQUETTE

ETIQUETTE - code of behavior, form, convention, protocol, formalities, custom(s), decorum, (good) manners, propriety, politeness, courtesy, civility.

Even though it may seem a little "old-fashioned", we, at All Saints, think that "**Proper Church Etiquette**" is important and would like the following adhered to by those who use our facility. Please see that all those in your party are aware of the following:

1. **SMOKING:** Our building is completely "**smoke free**". You may smoke outside of the building.
2. **ALCOHOLIC BEVERAGES:** **No** alcoholic beverages may be brought into and/or consumed on the Church premises (including the parking lot).
3. **HATS/CAPS:** Proper etiquette is that all men will remove their hats/caps whenever they enter a building. Women may keep their hats on. Please, even though it may seem "old-fashioned" **remove your hat/cap**.
4. **BE RESPECTFUL OF OTHERS:** Please use **appropriate language** and be aware of others around you and within the building. We are a "Safe Haven" for all.
