- I acknowledge that usage of the church premises and property is a privilege extended in good faith and trust, and agree to leave the facility as was previous to usage
- I understand that there is a usage fee of **\$100.00 for members / \$150.00 for non-members** to cover the cost of usual custodian needs and utilities
- The fee is for the **3 hours** block of time **including** set-up and clean-up time (which **may not** be done during liturgy times)
- Every additional hour of rental time is **\$25.00 for members and non-members**
- Total rental time **cannot exceed 6 hours in length**
- I am further advised that additional fees will be imposed to offset the costs of:
 - additional clean up services if needed
 - repairs for damages or any stolen articles

The front door of the church is programmed through our security system to remain unlocked for 30 minutes at the beginning of the rental period. Renters agree not to manually manipulate or change the door locks or prop open the front doors. Renters may briefly prop open the fellowship door to carry in items for the event. The fellowship door should be securely closed during the event for the safety and security of both attendees and the church premises.
